

Dear Prospective Sponsor,

Are you looking for ways to get your business name out to the Hampton Roads Community?

Sponsoring Coastal All-Stars and our teams is a great way to advertise your business and help deserving young athletes defer the costs of competition entry fees, travel, uniforms, and tuition. Sponsorship is an opportunity for you to be involved in a vital way with a local youth organization that sees its mission not only as training athletes to succeed on the mat, but to develop them individually through teamwork, sportsmanship, leadership, scholarship, and personal responsibility.

Coastal All-Stars is home to hundreds of athletes ages three through adult, who come from all over the Hampton Roads area and many military families. Your business sponsorships give our nationally ranked athletes formative opportunities to train, travel, and compete against other top ranked teams throughout the country.

We cordially invite you to sponsor us for the 2022-2023 season.

You are not only supporting our program, but profiling your own business to be recognized by our community of athletes, parents, siblings, coaches, and friends. Our program has worked with many families, local businesses and community organizations throughout Hampton Roads area for many years!

Here is a description of our four sponsorship levels, with corresponding benefits.
